

**WOOD planks**

*Wood has been a source of inspiration for modern design for many years because of its rich colors, patterns and textures that can be utilized in interior design. Porcelain tiles perfectly reproduce the wood look. The porcelain tiles are resistant to long-term hard use, making them an excellent choice for popular spaces, such as halls and corridors. Wood designs tiles by Ceramica Fiore combine the durability you need with the style you desire. The look of wood flooring gives the feel of luxurious comfort that never loses its charm.*
