1962 ITALIA

**Discover the latest trends  
in kitchen sinks and the  
unique  
Italian designs.**

Fireclay kitchen sinks are made from clay and heated to extremely high temperatures, which makes the clay and glaze to fuse together thus forming a smooth and hard surface which is scratch-resistant, heatproof and impervious to acids and bleaches. Made of natural and recyclable fireclay material, enjoy the beauty of Isvea fireclay kitchen sinks over the years.
