Lilí

La ricerca di evoluzione nella tradizione del bagno italiano ha condotto al disegno di Lilí.

Levità di volumi, essenzialità del fregio in un equilibrio classico espressione delle nostre proporzioni, inseguendo la sintesi estetica come principio di eleganza.

BULLO DESIGN

/EN

The research of evolution in the tradition of Italian bathroom led to the design of LILI'.

Lightness of volumes, essentiality of the frieze in a classic balance expression of our proportions, pursuing the aesthetic synthesis as a principle of elegance.
