THE COMPANY

“Gaudi” is a brand designed for the European customers who are looking for high-quality architectural solutions.

The company Decor Ltd. exists since 1995, with its main facilities located in the Moscow region, Russia. In the last 10 years we’ve become the biggest polyurethane decoration manufacture in Europe providing architectural solutions in more than 50 countries worldwide.

We use cutting-edge technologies such as the world’s only automatic line for the polyurethane decoration production. Our details pass through the quality control at all stages of production.

We offer the widest range of products with almost 1200 articles of various types and styles. All our linear products are available in FLEXible version.

Our principles have always been the same—to present the best product on the market. Our details have the highest density: 300–350 kg/m³ and over 400 kg/m³ for FLEXible articles. That allows us to produce the strong and durable details with the sharpest lines and the most intricate and precise ornaments.
