CERAMIC DESIGN

L'azienda

GSG Ceramic Design esprime la propria identità attraverso la realizzazione di prodotti in ceramica, dalle linee caratteristiche, riconoscibili e dalla forte personalità, inserite in stimolanti e moderne ambientazioni. Prodotti iconici, esclusivi e carichi di significati, che li rendono delle piccole ma grandi opere d'arte. Un risultato possibile grazie ad una costante ricerca estetica, che valorizza il talento artistico dei designer con cui l'azienda collabora, combinata ad uno spiccato orientamento all'innovazione continua, all'internazionalizzazione, e a una forte attenzione alle esigenze del cliente. Caratteristiche fondamentali per coniugare la tradizione artistica della ceramica all'evoluzione tecnologica e alle tendenze del mercato, con una particolare attenzione ai temi della sostenibilità ambientale e del risparmio idrico. Grazie a questo percorso GSG Ceramic Design è oggi una delle realtà più significative nel campo della ceramica sanitaria, sempre pronta a soddisfare le esigenze dei consumatori con un ampio portafoglio prodotti, 8 collezioni con particolari forme e concepts, disponibili in 17 diverse colorazioni sia lucide che matt.

Company Profile

GSG Ceramic Design expresses its identity through the creation of ceramic bathroom products, with distinctive, recognisable lines that show a strong personality. Iconic products, developed through constant aesthetic research, which enhances the artistic talent of the designers with whom the company collaborates, combined with a strong orientation towards continuous innovation, internationalisation, and a strong attention to the requirements of our customers. Fundamental characteristics combine the artistic tradition of ceramic with technological evolution and market trends, with particular attention to issues of environmental sustainability and water saving. Thanks to this path, today, GSG Ceramic Design is one of the most significant companies in the world of bathroom ceramics; always ready to meet the needs of clients with a large product portfolio, 8 collections with particular shapes and styles, available in 17 different colors in both shiny and matt finishes.

La société

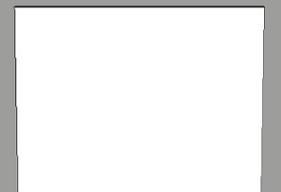

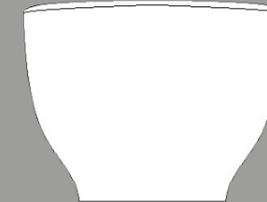

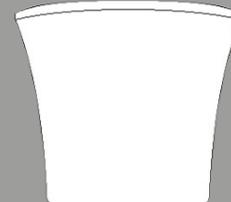

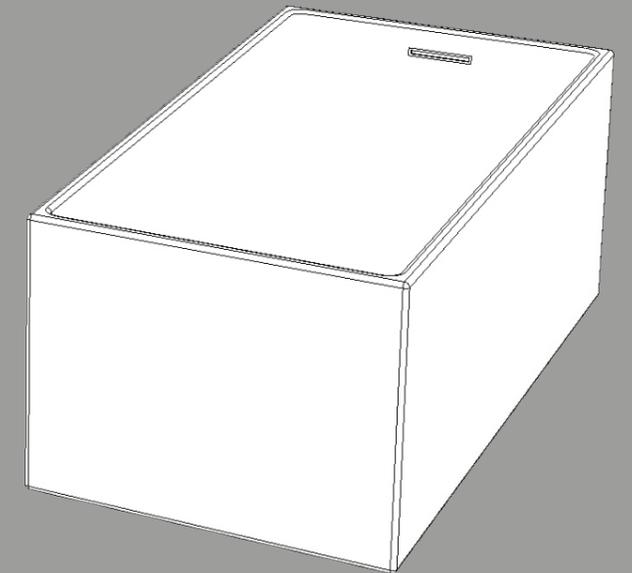

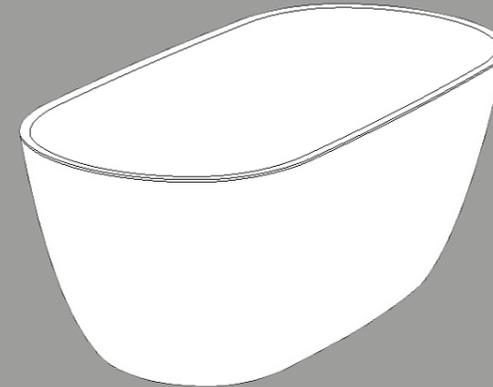

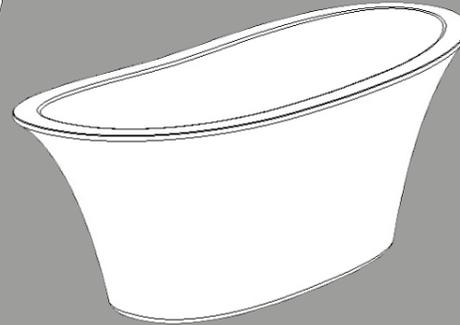

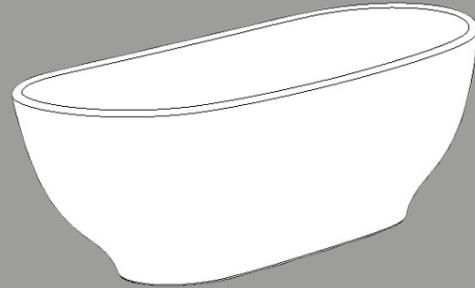

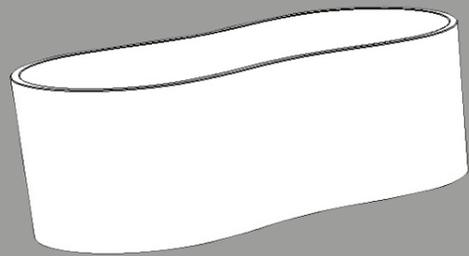

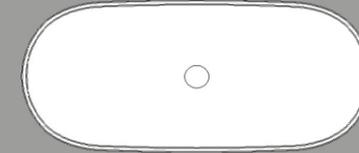

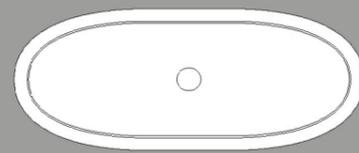

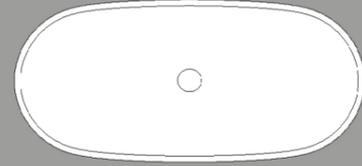

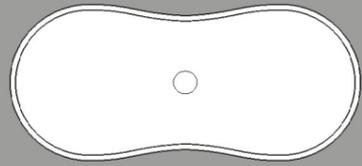

GSG Ceramic Design exprime son identité à travers la création de produits céramiques, avec des lignes distinctives et reconnaissables et une forte personnalité, insérés dans des environnements stimulants et modernes. Des produits emblématiques, exclusifs et pleins de significations, qui en font de petites mais grandes œuvres d'art. Un résultat possible grâce à une recherche esthétique constante, qui valorise le talent artistique des designers avec lesquels l'entreprise collabore, alliée à une forte orientation vers l'innovation continue, l'internationalisation et une forte attention aux demandes des clients. Caractéristiques fondamentales pour combiner la tradition artistique de la céramique avec l'évolution technologique et les tendances du marché, avec une attention particulière aux questions de durabilité environnementale et d'économie d'eau. Grâce à ce chemin, GSG Ceramic Design est aujourd'hui une des réalités les plus importantes dans le domaine de la production de céramique sanitaire, toujours prête à répondre aux besoins des consommateurs avec un large portefeuille de produits, 8 collections avec formes et concepts particuliers, disponibles en 17 couleurs différentes brillant e satiné.
